The library shall be kept at a convenient place, and be opened for the delivery and return of books at such times as the trustee in charge shall direct.

Any resident of the community shall be entitled to the loan of books, as long as he complies with the rules, having first signed the following agreement:—

"Being a resident of \_\_\_\_\_, over fifteen years of age, I hereby agree, as a borrower from the British Columbia Travelling Library, to promptly return the books within the time specified, and to pay any fines due by me for over-detention of books, or for injury to or loss sustained by any book while charged to me."

Persons under fifteen years of age shall be entitled to the same privileges as the foregoing in case their agreement is indorsed by a parent or guardian, or by any of the petitioners for the library, or the trustee.

Two volumes may be drawn by each reader and retained two weeks.

A fine of five cents per week shall be paid for each book kept over time, and no books shall be lent to any one to whom books or an unpaid fine are charged.

Fines shall be paid to the librarian and used under the direction of the trustee for library purposes.

A reader desiring a book not at the time on the shelves, may have it reserved for him for forty-eight hours after its return, by giving notice to the librarian.

A reader returning a book which is not reserved may renew it for two weeks.

Notes, corrections of the press, or marginal references of any kind on books belonging to the Province are unconditionally forbidden, and all losses or injuries beyond reasonable wear, from whatever cause, must be adjusted to the satisfaction of the trustee by the person to whom the book is charged.

Any person taking any books, maps or other publications from the library shall be liable for all damage done thereto while in his or her possession, which damages shall be assessed by the librarian and paid to him or her by the person taking out such book, map or publication; and the payment of all damages or losses in respect to books the property of the Province shall be made a condition precedent to obtaining further loans, and all moneys received by the librarian shall be fully accounted for to the Provincial Librarian.

Books must be handled with care and leaves must not be turned down.

The librarian shall keep an accurate record of all books lent out, entering the date of borrowing and return, cards for which purpose are provided with each library sent out.

A library may remain for three months in any community, at the end of which time, however, it shall be the duty of the librarian to forward it, packed up as received, to a designated address supplied by the Provincial Librarian.

In case of an application being received by the Provincial Librarian, duly signed by the librarian and trustee of the library, requesting an extension of time not exceeding three months, the same may be granted.

An accurate record shall be kept of the books lent out and the date of their return, and a full report of the same shall be forwarded at the end of every three months to the Provincial Librarian, whose duty it will be to publish such returns in his annual report.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House

after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$  inches by 7 $\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. One hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

And whereas it is deemed expedient to borrow the said sum of ten thousand dollars (\$10,000) for the purposes aforesaid:

And whereas the whole amount of the ratable land of the said City, according to the last revised Assessment Roll, is eight hundred and six thousand eight hundred and seventy dollars (\$806,870):

And whereas it will be necessary to raise annually by rate the sum of eight hundred and sixty dollars (\$860) for paying the said debt and interest:

Now, therefore, the Municipal Council of the Corporation of the City of Nelson enacts as follows:—

1. It shall and may be lawful for the Mayor of the Corporation of the City of Nelson to borrow, upon the credit of the said Corporation, by way of the debentures hereinafter mentioned, from any person or persons, body or bodies corporate, who may be willing to advance the same as a loan, a sum of money not exceeding in the whole the sum of ten thousand dollars (\$10,000), and to cause all such sums so raised or received to be paid into the hands of the Treasurer of the said Corporation, for the purpose and with the object hereinbefore recited.

2. It shall be lawful for the Mayor of the said Corporation to cause any number of debentures to be made, executed and issued for such sum or sums as may be required for the purpose and object aforesaid, not exceeding, however, the sum of ten thousand dollars (\$10,000), each of the said debentures being of the denomination of one thousand dollars (\$1,000), and all such debentures shall be sealed with the seal of the Corporation and signed by the Mayor thereof.

3. The said debentures shall bear date the 1st day of August, A.D. 1898, and shall be made payable in twenty years from the said date, in lawful money of Canada, at the office of the Bank of Montreal in Nelson aforesaid, which said place of payment shall be designated by the said debentures, and shall have attached to them coupons for the payment of interest, and the signatures to the interest coupons may be either written, stamped, printed or lithographed.

4. The said debentures shall bear interest at the rate of five per centum per annum from the date thereof, which interest shall be payable semi-annually at said office of the Bank of Montreal in Nelson aforesaid, in lawful money of Canada, on the first day of August and first day of February, respectively, in each year during the currency thereof, and it shall be expressed in said debentures and coupons to be so payable.

5. It shall be lawful for the Mayor of said Corporation to negotiate and sell the said debentures, or any of them, for less than par, but in no case shall the said debentures, or any of them, be negotiated or sold for less than ninety-five per centum of their face value, including the cost of negotiating and sale, brokerage and all other incidental expenses.

6. There shall be raised and levied in each year during the currency of said debentures the sum of five hundred dollars (\$500) for the payment of interest, and the sum of three hundred and sixty dollars (\$360) for the payment of the said debentures, by a rate sufficient therefor on all the ratable land in the said Municipality.

7. It shall be lawful for the said Municipal Council to re-purchase any of the said debentures upon such terms as may be agreed upon with the legal holder or holders thereof, or any part thereof, either at the time of sale or any subsequent time or times, and all debentures so re-purchased shall forthwith be cancelled and destroyed, and no re-issue of debentures so re-purchased shall be made in consequence of such re-purchase.

### ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA,

23rd June, 1898.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR  
IN COUNCIL.

THE Committee of Council have had under consideration the provisions of section 101 of the “Provincial Elections Act” in so far as they require a Deputy Returning Officer, and every officer, clerk or agent authorised to attend a polling station or the counting of votes, to make a statutory declaration of secrecy, in the form of the schedule thereto, in the presence of a Justice of the Peace or the Returning Officer. The Committee remark that at the following polling places, established in accordance with the provisions of the said Act within the riding of East Yale, namely, Lumby, Shuswap, Mara, Deep Creek, Salmon River, Short’s Point, Peachlands, and Rock Creek, there are no resident Justices of the Peace, and the same difficulty may be met with at other polling places in the Province.

The Committee further remark that the declaration required of a Deputy Returning Officer by section 79 of the said Act may be subscribed in the presence of two electors of the district. The Committee, in order to obviate the difficulty above pointed out, advise that under the provisions of section 20 of the “Redistribution Act, 1898,” a regulation be made authorising the declaration of secrecy required by said section 101 to be made and subscribed before two electors in the manner prescribed by section 79 of the said Act in all cases where a Justice of the Peace is not available.

A. CAMPBELL REDDIE,

Deputy Clerk, Executive Council.
